**Assistant/Associate Professor (tenure track):** The School of Nursing (SON), located in downtown Atlanta, invites applications for full-time, tenure track faculty positions. Responsibilities of these 9-month tenure track positions include developing or continuing a program of health-related funded research, participating in scholarly activities, and teaching in the undergraduate and/or graduate programs. Other responsibilities include student advisement and mentoring, and involvement in school, university and community service. The successful candidate will possess evidence of a focused area of research. The SON provides collaborative opportunities with many GSU Centers and Institutes focused on Urban Health, Health Disparities, Health Policy and Law, Gerontology, Obesity and Biomedical Sciences.

Minimum qualifications include: 1) PhD or equivalent doctoral degree, nursing preferred but others in health-related fields considered [e.g. biostatistics, psychology, social work, public health] 2) a master’s in nursing or equivalent degree. Certification as an advanced practice RN and teaching experience desirable. Competitive compensation package with startup funds available. 

Log #: 16-064, 16-065

Nominations/applications are encouraged. Completed applications for these tenure track positions, including a letter of application, vitae, and contact information for three professional references, should be emailed to:

gsusonsearch@gsu.edu

Further information may be obtained by viewing the SON website at [http://snhp.gsu.edu/](http://snhp.gsu.edu/) or contacting Dr. Dawn Aycock at daycock@gsu.edu

**Clinical Instructor/Assistant/Associate Professor (non-tenure track):** The SON, located in downtown Atlanta, invites applications for full-time, non-tenure track faculty positions. The responsibilities in these 9-month, non-tenure track positions will include teaching in our undergraduate and/or graduate programs and participating in scholarly activities. Other responsibilities include student advisement and mentoring, as well as involvement in school, university and community service. Rank will be determined based on prior clinical and/or teaching experience. Prefer PhD in Nursing or equivalent doctoral degree, DNP, DNS and prior teaching experience.

Minimum qualifications include: 1) Georgia RN license/license eligible; 2) master’s degree in nursing or equivalent degree; and 3) a minimum of two years of nursing practice experience and teaching experience. Preferred areas for clinical expertise include community health, gerontology, medical-surgical, psychiatric, and pediatric nursing. Certification such as nurse practitioner or clinical nurse specialist with current practice experience desirable.

Nominations/applications are encouraged. Completed applications for these non-tenure track positions, including a letter of application, vitae, and contact information for three professional references, should be emailed to:

gsusonsearch@gsu.edu

Further information may be obtained by viewing the SON website at [http://snhp.gsu.edu/](http://snhp.gsu.edu/) or contacting Dr. Joan Cranford at jcranford2@gsu.edu

Georgia State University, a unit of the University System of Georgia, is an equal opportunity educational institution and an equal opportunity/affirmative action employer and accommodates individuals with disabilities. All applicants must comply with the Immigration Reform and Control Act. Women and minorities are strongly encouraged to apply. An offer of employment will be contingent upon successful completion of a background report.
