

WHAT CAN BLACKBOARD COLLABORATE DO

- Alternative to on-campus meeting place.
- Online Classroom meeting place, virtual office, etc.
- Online Meetings/web conferences from anywhere with internet connection. Connect from mobile devices such as i-pads and i-phones but with less capability than desktop version
- Record and archive your sessions using automatic or manual recording for playback anytime
- Export recordings to MP3 audio, MP4 video for download or playback

HARDWARE/SOFTWARE REQUIREMENTS

- Computer or mobile device with internet access and Java installed
- Recommend minimum of 15 GB free HDD
- Pentium IV with at least 500MB of memory
- USB Headset or USB conference mic
- Can connect from mobile devices like Ipad and Iphone but with limited features, NOT strongly recommended

VIRTUAL OFFICE HOURS

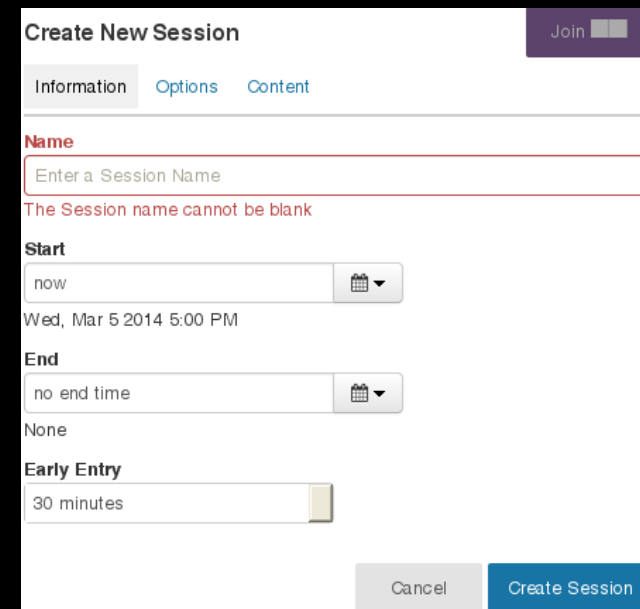

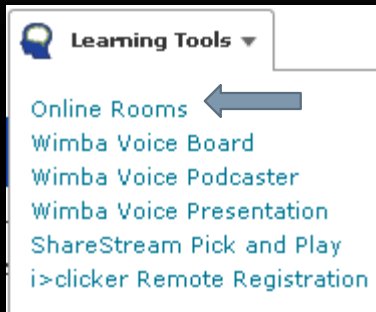

Faculty:

Did you know that you can have a virtual office in Blackboard Collaborate via D2L? Students can meet you on campus or in your virtual office.

CREATING A VIRTUAL MEETING

Here is how:

1. Login to your course in D2L.
2. click **Learning Tools** menu
3. Select **online rooms** to open the Collaborate window in your browser
4. Click **create session** in upper right of Collaborate window.
5. New Window appears to right side with 3 tabs. **Name virtual session** and **set start/end time** in the Information tab.
6. Click **create session** to create the session

Virtual meetings, virtual class sessions, virtual offices, recording room are all setup like this.

INVITING A GUEST

Faculty:

Did you know that you can **invite a guest to a virtual meeting** in Blackboard Collaborate?

Here is how:

1. **Login to your course in D2L.**
2. Click **Learning Tools** menu
3. Select **online rooms** to open the Collaborate window in your browser
4. Click your virtual session name.
5. In the information tab click **show guest link** and copy the link.
6. Send guest link via email to your guest to click and join you in a session

NOTE: Default guest link has participant privileges. Change guest to moderator from within session if necessary.
